

Monday  
Night Touch  
Feedback

Q1. How would you rate the online registration process for Monday nights touch sessions?

ANSWER CHOICES	RESPONSES	
Very positive	78.57%	22
Somewhat positive	17.86%	5
Neutral	0.00%	0
Somewhat negative	0.00%	0
Very negative	3.57%	1
<b>TOTAL</b>		<b>28</b>

## **Make it available to more people.**

Due to the England Touch Return to play protocols we are only able to have 30 people per pitch at any one time, if we were to open this up to more people we would have to have 2 pitches going and with the current procedures in place and time limits we have to adhere to this would result in less playing time for everybody

## **Needs to be simpler & quicker rather than completing same details each time. 1 registration form for first time then just a yes/no to attend.**

The form we use is a google form, we use this form as it is simple to setup and more importantly FREE.

As each session is its own separate event we need to have people's email addresses for contact tracing purposes, in line with NHS track and trace we only keep these details for 21 days and as the Covid pandemic is a fluid situation the rules and regulations are changing on a weekly basis and people need to make sure they are following the latest advice hence the ticking of the terms and conditions for each weekly event

Q2. When you arrive at touch how would you rate the Covid procedures in place?

ANSWER CHOICES	RESPONSES
Very positive	92.86% 26
Somewhat positive	3.57% 1
Neutral	3.57% 1
Somewhat negative	0.00% 0
Very negative	0.00% 0

## **Rockcliff one way and rules oTT**

The one way system and social distancing in the car park are there to make sure we comply with the RFU, ETA and Rockcliff Rugby Clubs return to play protocols.  
with out these procedures in place we would be unable to play touch rugby at Rockcliff Rugby Club

Q3. How do you think Monday night touch handled the positive test from one of its players?

ANSWER CHOICES	RESPONSES	
Very positive	66.67%	18
Somewhat positive	22.22%	6
Neutral	7.41%	2
Somewhat negative	3.70%	1
Very negative	0.00%	0
<b>TOTAL</b>		<b>27</b>

**Gov guidelines not followed, everyone playing the Monday before test should have self isolated regardless of whether ETA said.**

As soon as we became aware a player had tested positive for Covid we contacted both the ETA and Rockcliff Rugby club to seek clarification if all individuals needed to isolate, as touch rugby is not classed as a close contact sport by sport England then there is no need for everybody to self isolate.

All the advice we have received from the ETA is directly from sport England and is in line with government guidance.

After the positive test we set up an email to report future cases and we also contacted all attendees from the Monday session to let them know we had had a positive test reminding people to not attend the next session if they had any symptoms

Q3. How would you prefer to be contacted regarding Mondays sessions?

We have now added the WhatsApp link to the submission confirmation page, so people are able to join the group if they like

ANSWER CHOICES	RESPONSES
WhatsApp	82.14% 23
Email	25.00% 7
Facebook event	35.71% 10
